

# FINANCIAL SPECIALIST OPPORTUNITIES

---

The Bonneville Power Administration is recruiting highly qualified and motivated candidates for an intensive development program.

## Goals

The goal of the Financial Specialist Development program is to create well-rounded analysts with outstanding financial acumen. When hired by Bonneville, you will receive these opportunities:

- Exposure to a wide range of financial functions, including capital and debt management, risk and cost analysis, financial reporting and accounting, and financial forecasting
- Rotation through the business lines at Bonneville, working at least four months each in Transmission, Power, and the Corporate Finance group
- Tailored developmental plan with special projects, training courses, and seminars to accelerate your career
- Mentorship by a member of the senior financial staff
- A “shadow” opportunity with senior manager or VP
- About 24 months to explore possibilities

“Graduates” of the program will be offered a challenging position in financial analysis, budget analysis or related fields.

## Who we are seeking

- Recent graduate or current student in an accredited MBA or related graduate program
- Knowledge of financial management theory and concepts, proven problem solving abilities, initiative, organizational skills, and

interpersonal effectiveness. Effective writing and oral communication skills.

- Demonstrated academic excellence
- Ability to work an average of at least 20 hrs/week over the program’s duration (about two years, including summers)

## Benefits

- Location: BPA, headquartered in Portland, Oregon, and Vancouver, Washington, is located in the heart of the Pacific Northwest, known for spectacular scenery, bountiful recreational opportunities, and a moderate climate
- Competitive compensation
- Vacations: Earn 13 to 26 paid vacation days per year, providing time and opportunity to enjoy what the Northwest has to offer
- Fitness Center and related programs
- Career & personal development opportunities
- Defined retirement plan with competitive 401(k)
- Health & life insurance with no waiting period
- Tuition assistance possible
- Flexischedule opportunities
- Commuter program
